

The Songee Energy - Teachings

Blessing from Songee

THE SECOND WELL TRUST presents 'Blessing from Songee'

A Gift from Songee 17th February 2000

Blessed are those that come to seek in humble spirit, for the enlightenment of Oneness.

Blessed are those who tread the path that will guide them to find themselves in the pure light of Oneness of being.

Blessed are those souls that rejoice in their connection with the Almighty - the light of Oneness and of the Angels and all beings of light and love.

Blessed are those that take into themselves and into their very being the Truth of Oneness and use it as a measure with which to guide themselves through the many and varied relationships and trials of life.

Blessed always are those who absorb the True Love of the God-of-All -Oneness, and extend it to those around them without condition.

Blessed are those that kneel at the feet of Oneness and give up the selfish strivings of daily living.

Blessed are those who seek the Strength and Power of Light to extend to others throughout their day, to all living things.

Blessed are those who are willing to give up their own desires and give up to the will of God - of Oneness to go where that Power guides, to perform deeds of virtue and kindness as that Power directs.

Blessed are those who treat others with goodness and mercy in their voice and mind and let it be reflected in all their deeds.

Blessed be all humankind - that their spirits may be cleansed and purified before the time of change is upon them.

SO BE IT.
