

Silver Doe Gifts

THE SECOND WELL TRUST presents 'Silver Doe - Gifts'
Silver Does speaks, 23rd December 1993

This teaching is published in 'The Facets of the Diamond'.

Good Evening Silver Doe, thank you for being with us.

Silver Doe: From all of the High Shaman.

The Light will shine on all of you, and for each of you there is a Special Gift - that you will receive - that represents the gift of the Light to Earth. Those in Spirit that walk with you, will bring you the gift. This is not a gift of the material plane. You will recognise the gift when you receive it. Do not look for it, put forward the gift to one side and proceed with your life moment by moment and then, when you least expect to see, then the gift will be presented to you. This will require of you, discipline. Discipline of the knowing and acknowledging to yourself, the Spiritual Power that is being opened to you. If you do not exercise this discipline then you will miss the present. You will not be aware of the gift until a later moment, then you may be aware, only what it was that you missed.

Always on special times in the Material Plane, a gift is given to those who work in the Light. Usually it is given to those who are sufficiently enlightened to receive it.

However, some do not trust their own knowledge, yes, I am speaking to you. Others, further still, would like to put upon the knowledge something that they could choose it to be. Others may try to belittle that which is given and so do not acknowledge the gift that is given. Sometimes the gift is acknowledged and then there is rejoicing. Sometimes as the gift is given, the one does not see it, because the truth - you see - deny it, that they deserve it. It encompasses everyone. Those who receive their gift and deny it outwardly, but inwardly, they know it. So as you will understand the discipline is very important, so that you do not lose this wonderful gift that you will receive, all of you.

Do not deny your abilities.

Do not deny your Spirituality.

Do not deny the Power of the Christos, and the One God that you know.

If ever you deny the gift that is given to you through the lack of discipline, so you are denying this higher Power. Denying that you have a connection to it. It is every souls right to acknowledge and know this connection.

Take straight from that, at all times.

Now, for a short time, special to you. Your Special Doorkeepers and Guardians have a request of all of you. Just now, for a moment. They would like you to sit quietly and feel them come close to you. They will place in your upturned hands, something from them to you, this night. So that you may learn how to know your gift when it is given to you on the Day of the Light. They will remain close with you until I am gone.

And now, those of the High Shaman would wish all of you, Peace and Enlightenment, see the downflow a little of the Power that we share.

May it cleanse you of your ills.

May it bring Harmony to your Souls and

Love to your hearts.
